This autumn, following two successful visits to the UK over the last 12 months, more clubs and schools will have the opportunity to welcome **Levante UD coaching staff** from **29 October to 3 November**. Barry will travel with **two highly experienced and revered coaches** and create **bespoke training sessions** for those taking part.

The Coaching

Each coaching session is an **hour and a half** in length. Group sizes are recommended at **15-20**, however we understand that this cannot always be possible, especially in respect of schools and class sizes, so **larger groups** can be catered for, however please discuss with us your needs prior to final booking confirmation.

Each session will be with **two coaches from the Levante UD academy coaching team.**

Your sessions dates and times will be agreed in advance. You will need to provide **grass or artificial playing surface,**

footballs, cones and bibs as a basic requirement. Once we move forward, we may ask for additional equipment, however, this is not a necessary requirement, just a request.

We will discuss with you the **age and level of the players** who will be taking part to make sure the coaching is at a **suitable level** for those involved to **learn and have a fulfilling experience.**
